

Violent Femmes – American Music

Verse (2/4)

Chorus (4/4) (“You were born too late...”)

End Chorus (4/4) (“It reminds me of you”)

Do you like American music
I like American music
Don't you like American music baby

I want you to hold me
I want your arms around me
I want you to hold me baby

Did you do too many drugs
I did too many drugs
Did you do too many drugs too baby

You were born too late
I was born too soon
But every time I look at that ugly moon
It reminds me of you
It reminds me of you ooh ooh ooh

I need a date to the prom
Would you like to come along
But nobody would go to the prom with me baby

They didn't like American music
They never heard American music
They didn't know the music was in my soul baby

You were born too soon
I was born too late
But every time I look at that ugly
lake
It reminds me of me
It reminds me of me

Do you like American music
We like American music
I like American music baby

Do you like American music
We like all kinds of music
But I like American music best

Baby you were born too late
And I was born too late
But every time I look at that ugly
lake
It reminds me of me
It reminds me of me
Do you like American music
It reminds me of me
Do you like American music
